General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Form 8821 authorizes any individual, corporation, firm, organization, or partnership you designate to inspect and/or receive your confidential information in any office of the IRS for the type of tax and the years or periods you list on Form 8821. You may file your own tax information authorization without using Form 8821, but it must include all the information that is requested on Form 8821.

Form 8821 does not authorize your appointee to advocate your position with respect to the federal tax laws; to execute waivers, consents, or closing agreements; or to otherwise represent you before the IRS. If you want to authorize an individual to represent you, use Form 2848, Power of Attorney and Declaration of Representative.

Use Form 4506, Request for Copy of Tax Return, to get a copy of your tax return.

Use Form 4506-T, Request for Transcript of Tax Return, to order: (a) transcript of tax account information and (b) Form W-2 and Form 1099 series information.

Use Form 56, Notice Concerning Fiduciary Relationship, to notify the IRS of the existence of a fiduciary relationship. A fiduciary (trustee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer. Therefore, a fiduciary does not act as an appointee and should not file Form 8821. If a fiduciary wishes to authorize an appointee to inspect and/or receive confidential tax information on behalf of the fiduciary, Form 8821 must be filed and signed by the fiduciary acting in the position of the taxpayer.

When To File

Form 8821 must be received by the IRS within 60 days of the date it was signed and dated by the taxpayer.

Where To File

Generally, mail or fax Form 8821 directly to the IRS. See the *Where To File Chart* on page 2. Exceptions are listed below.

If Form 8821 is for a specific tax matter, mail or fax it to the office handling that matter. For more information, see the instructions for line 4.

Your representative may be able to file Form 8821 electronically with the IRS from the IRS website. For more information, go to www.irs.gov. Under the *Tax Professionals* tab, click on *e-services—Online Tools for Tax Professionals*. If you complete Form 8821 for electronic signature authorization, do not file a Form 8821 with the IRS. Instead, give it to your appointee, who will retain the document.

Revocation of an Existing Tax Information Authorization

If you want to revoke an existing tax information authorization and do not want to name a new appointee, send a copy of the previously executed tax information authorization to the IRS, using the *Where To File Chart* on page 2. The copy of the tax information authorization must have a current signature and date of the taxpayer under the original signature on line 7. Write "REVOKE" across the top of Form 8821. If you do not have a copy of the tax information authorization you want to revoke, send a statement to the IRS. The statement of revocation or withdrawal must indicate that the authority of the appointee is revoked, list the tax matters and periods, and must be signed and dated by the taxpayer or representative. If the taxpayer is revoking, list the name and address of each recognized appointee whose authority is revoked. When the taxpayer is completely revoking authority, the form should state "remove all years/periods" instead of listing the specific tax matters, years, or periods. If the appointee is withdrawing, list the name, TIN, and address (if known) of the taxpayer.

To revoke a specific use tax information authorization, send the tax information authorization or statement of revocation to the IRS office handling your case, using the above instructions.

Taxpayer Identification Numbers (TINs)

TINs are used to identify taxpayer information with corresponding tax returns. It is important that you furnish correct names, social security numbers (SSNs), individual taxpayer identification numbers (ITINs), or employer identification numbers (EINs) so that the IRS can respond to your request.

Partnership Items

Sections 6221-6234 authorize a Tax Matters Partner to perform certain acts on behalf of an affected partnership. Rules governing the use of Form 8821 do not replace any provisions of these sections.

Representative Address Change

If the representative's address has changed, a new Form 8821 is not required. The representative can send a written notification that includes the new information and their signature to the location where the Form 8821 was filed.

Specific Instructions

Line 1. Taxpayer Information

Individuals. Enter your name, TIN, and your street address in the space provided. Do not enter your appointee's address or post office box. If a joint return is used, also enter your spouse's name and TIN. Also enter your EIN if applicable.

Corporations, partnerships, or associations. Enter the name, EIN, and business address.

Employee plan or exempt organization. Enter the name, address, and EIN of the plan sponsor or exempt organization, and the plan name and three-digit plan number.

Trust. Enter the name, title, and address of the trustee, and the name and EIN of the trust.

Estate. Enter the name, title, and address of the decedent's executor/personal representative, and the name and identification number of the estate. The identification number for an estate includes both the EIN, if the estate has one, and the decedent's TIN.

Line 2. Appointee

Enter your appointee's full name. Use the identical full name on all submissions and correspondence. Enter the nine-digit CAF number for each appointee. If an appointee has a CAF number for any previously filed Form 8821 or power of attorney (Form 2848), use that number. If a CAF number has not been assigned, enter "NONE," and the IRS will issue one directly to your appointee. The IRS does not assign CAF numbers to requests for employee plans and exempt organizations.

If you want to name more than one appointee, indicate so on this line and attach a list of appointees to Form 8821.

Check the appropriate box to indicate if either the address, telephone number, or fax number is new since a CAF number was assigned.

Line 3. Tax Matters

Enter the type of tax, the tax form number, the years or periods, and the specific tax matter. Enter "Not applicable," in any of the columns that do not apply.

For example, you may list "Income, 1040" for calendar year "2006" and "Excise, 720" for "2006" (this covers all quarters in 2006). For multiple years or a series of inclusive periods, including quarterly periods, you may list 2004 through (thru or a hyphen) 2006. For example, "2004 thru 2006" or "2nd 2005-3rd 2006." For fiscal years, enter the ending year and month, using the YYYYMM format. Do not use a general reference such as "All years," "All periods," or "All taxes." Any tax information authorization with a general reference will be returned.

You may list the current year or period and any tax years or periods that have already ended as of the date you sign the tax information authorization. However, you may include on a tax information authorization only future tax periods that end no later than 3 years after the date the tax information authorization is received by the IRS. The 3 future periods are determined starting after December 31 of the year the tax information authorization is received by the IRS. You must enter the type of tax, the tax form number, and the future year(s) or period(s). If the matter relates to estate tax, enter the date of the decedent's death instead of the year or period.

In **column (d)**, enter any specific information you want the IRS to provide. Examples of column (d) information are: lien information, a balance due amount, a specific tax schedule, or a tax liability.

For requests regarding Form 8802, Application for United States Residency Certification, enter "Form 8802" in column (d) and check the specific use box on line 4. Also, enter the appointee's information as instructed on Form 8802.

Note. If the taxpayer is subject to penalties related to an individual retirement account (IRA) account (for example, a penalty for excess contributions) enter, "IRA civil penalty" on line 3, column a.

Line 4. Specific Use Not Recorded on CAF

Generally, the IRS records all tax information authorizations on the CAF system. However, authorizations relating to a specific issue are not recorded.

Check the box on line 4 if Form 8821 is filed for any of the following reasons: (a) requests to disclose information to loan companies or educational institutions, (b) requests to disclose information to federal or state agency investigators for background checks, (c) application for EIN, or (d) claims filed on Form 843, Claim for Refund and Request for Abatement. If you check the box on line 4, your appointee should mail or fax Form 8821 to the IRS office handling the matter. Otherwise, your appointee should bring a copy of Form 8821 to each appointment to inspect or receive information. A specific-use tax information authorization will not revoke any prior tax information authorizations.

Line 6. Retention/Revocation of Tax Information Authorizations

Check the box on this line and attach a copy of the tax information authorization you do not want to revoke. The filing of Form 8821 will not revoke any Form 2848 that is in effect.

Line 7. Signature of Taxpayer(s)

Individuals. You must sign and date the authorization. Either husband or wife must sign if Form 8821 applies to a joint return.

Corporations. Generally, Form 8821 can be signed by: (a) an officer having legal authority to bind the corporation, (b) any person designated by the board of directors or other governing body, (c) any officer or employee on written request by any principal officer and attested to by the secretary or other officer, and (d) any other person authorized to access information under section 6103(e).

Partnerships. Generally, Form 8821 can be signed by any person who was a member of the partnership during any part of the tax period covered by Form 8821. See *Partnership Items* on page 3.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.
